

Nashville Union.

S. C. MERCER, Editor.

To Correspondents.

Our correspondents must allow us to take our own time for reading their communications. We have no time to be read to. It is literally impossible.

Notice to Club-Holders.

The Editor will be greatly obliged to persons making up clubs for the UNION if they will remit to the publishers and not to himself. Communications and subscriptions are sometimes mixed up with private information in such a manner as to cause needless delay and trouble to all parties.

PROSPECTUS

OF THE
NASHVILLE UNION.

We have no time to transcribe communications. We sometimes receive communications with a scrap of confidential information written on the back of the manuscript. Of course if we use it, the manuscript we have to re-write it, and this imposes entirely too much labor on us. We have no time for such work.

PROSPECTUS

OF THE
NASHVILLE UNION.

The NASHVILLE UNION was commenced a few weeks ago, for the purpose of opposing the Rebel Southern Confederacy, and of advocating the restoration of Federal authority, without any abatement over the States with whom the South has seceded. It is friends who support, and we are all who oppose the Union of the States. It has no watchful eye.
